DEDICATION

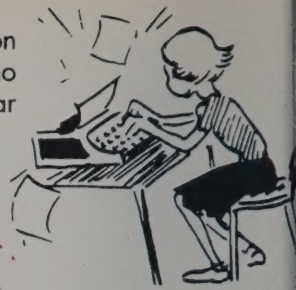

We, the Seniors of 1956, dedicate this edition of "The Buckeye" to Mr. L. E. Naragon, our present superintendent. Mr. Naragon has been associated with our school for over 20 years. He was one of the outstanding figures in the consolidation of the York, Litchfield, and Liverpool school districts.

So in appreciation of all the service and understanding you have given to the students at Buckeye High School, we dedicate this annual to you, Mr. Naragon.

SENIOR CLASS PROPHECY

The class of 1999 is now enjoying their annual trip to the sleepy town of Buckingham, P. M. which was formerly Washington, D. C. When the Senior Class of 1956 came to Washington, D. C., their stay was so enjoyable and impressive that they decided to remain "permanently." Most of the former flock of Mr. Naragon's black sheep have plunged into the field of politics, and the rest have weathered the hardships of the shady business world.

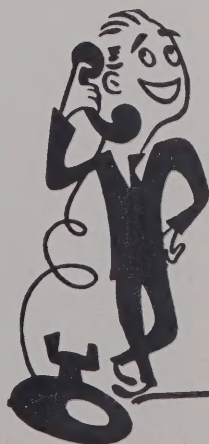

The class's first experience was getting on the plane owned by Mr. L. Tosi, who has become the ace-jet pilot of the roaring nineties. When they arrived in Buckingham, P. M., they were escorted to their hotel by a person who knows Buckingham like a dictionary, Miss Merry Jayne McMichael. The Buckingham News, which is edited by Miss Marie Miller, carried a feature article of the arrival of the Buckeye Senior Class of 1999 as "royal" guests at one of the exclusive Weigelton Hotels, owned by a successful businessman, Arthur Weigel.

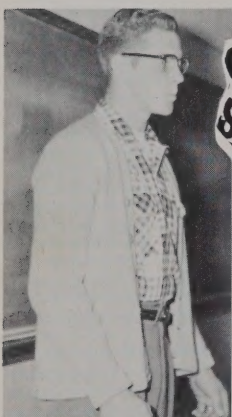

Their first scheduled stop was at the office of Senator Carol Law of Ohio to obtain a permit to see President Antionette Molino who has become our first woman president. President Molino annually presents the keys of the city to the advisor of the Senior Class, who is still Mr. F. Aho. Of course, he is taken to the White House in a wheelchair and is escorted to the President with the help of many orderlies. Instead of having only one tooth missing, there is now an absence of thirty-two teeth. The class was not able to see President Molino because she had to attend a very hush-hush business meeting which consisted of the President's personal secretaries, Norma Walters and Sally McKinney, the cabinet members, and Marie Veres, delegate to the United Nations; Marie got her first start in this line of work when she was a delegate to the Student Council at Buckeye.

The cabinet consists of Secretary of Treasury, Jerry Grim, who is up to his old high school tricks, embezzling public funds; the Secretary of State is the former Nancy Tritt, who after her graduation joined forces with Secretary of Defense, Bruce Brintnall. His assistants are the Secretary of Army, Dick Highman; the Secretary of Navy, Allen Matějka; and the Secretary of Air Force, Jim Ferrier. The Attorney-General is Nevada Johnson. After his graduation from Buckeye, he went to Harvard to study law. Jerry Lester who is his close "confiding" blood-brother also went to Harvard, but to study engineering, and is now the Secretary of Commerce. Roger Morlock, who used to be father's little helper on their Abbeyville estate, has now made a turn for the better in becoming our present Secretary of Agriculture.

Kenny Schmidt and Jerry Otterbacher, who were close comrades in school, have retained their friendship since they entered into politics. Kenny's position as Postmaster General is closely related to Jerry's office as Secretary of Interior. Helene West, Secretary of Labor, has grown old gracefully and is still a natural source of energy. The Secretary of Health, Education, and Welfare, Emily Seeley, has been a great boon in bettering our country by providing homes for the Ladies' Aid Society of Mallet Creek, The "99" Club of Litchfield, and The Keener Klan of Valley City. Emily has recently returned from Medina County where she dedicated the new Buckeye High School building.

Because the Senior Class was not able to see President Antionette, Senator Carol gave them permission to visit the House of Representatives and the Senate while they were having one of their joint sessions. The bill that was up for discussion was "Housewives vs. Hams." The content of the bill was whether or not the price of hams should be raised or lowered. The vice-president and president of the Senate, Anita Junkar, was defending the housewives of Parkersville by wanting the price lowered. Phil Galat, the speaker of the house, opposed the housewives and defended the Hams of America by wanting the prices raised. The argument was getting heated; therefore, they called a cease-fire.

On the next day, for the high point of their trip, they were permitted to sit in on a round-table discussion of the Atomic Energy Commission. The commission is headed by a dynamic blonde, the former Diane Motznik. The other members are the ravishing redhead, Peggy Bennett; the dazzling brunette, Aileen Arrington; and the other two members, (the brains behind the beauty) are Tom Wagner and Bob Elder. It proved to be a very "interesting" and "enjoyable" day.

First to arrive, as usual, with a grand entrance of pomp and splendor was the ambassador to Russia, the former Hazel Frederick. Hazel has done wonders in promoting good will between the United States, Russia, and Siberia. Next to arrive were Rena Holmes, Commissioner of the Public Debt, and Glenn Schwartz, Commissioner of Indian Affairs. There are rumors that both Rena and Glenn are threatening to resign because of pressure put on them by Big Chief Rain-in-the-Face of the Muddy Water Reservation of Arizona. Senor Don Severns, the ambassador to Mexico, arrived next. Don brought along some souvenirs to show the students; a burro named "Leaping Lena," a six foot sombrero, and a cactus plant. Just in from France, with the latest fashions from Dior and news of Mendes-France, was Pat Kort, ambassador to France.

On the last evening of their stay in Buckingham, the Class of 1999 was invited to a banquet in their honor given by the Head of the F.B.I., Mattie Johnson, to raise funds for the Buckingham Bungling Burglars Benefit. It was held in the lobby of the Weigelton Hotel. The Chief Justice of the Supreme Court, Noel Peek, served as Toast Master and introduced each of the celebrated guests.

Then there were two European damsels, Marjorie Johannsen, ambassador to Germany, and Nancy Schlick, ambassador to England. They met on the plane over from Europe and haven't stopped talking yet, except to acknowledge the guests of honor. And last, but certainly not least, was everyone's best friend Ron Diesch, the Director of the Mint. The banquet was a huge success and it ended with everyone singing the Buckeye School Song.

So, while the leaders of our great country face many troubles and also many pleasures, they still welcome any class from their old alma mater, Buckeye High School.

Pep assembly before the game

Basketball party after our game with
LeRoy.

The purpose of the organization is to promote and uphold a better understanding between students and the administration. The Student Council has done much in obtaining this purpose from its beginning in March of last year. The classes elected their representatives to the Council early in the school year. Some of the things planned on the program were to make up a student handbook, write a school alma mater, help out in noon recreations, and pep assemblies. They presented a skit at one of the pep assemblies just before a game with Highland. The big event which the Council is proud of was the January 5th basketball party given in honor of LeRoy High School after the game with them. The Student Council is also planning to order council pins.

Every student should know his duty to his school and to fulfill this duty by expressing his views and ideas to the Student Council for the betterment of our Buckeye High School.

SEASON'S REVIEW

The 1955 football season officially started on August 22nd. After counting noses, Coach Scrivens found that he had 42 boys trying out for the team. Two preliminary contests were scheduled with Strongsville and Lodi so that Coach Scrivens could see the progress the team was making.

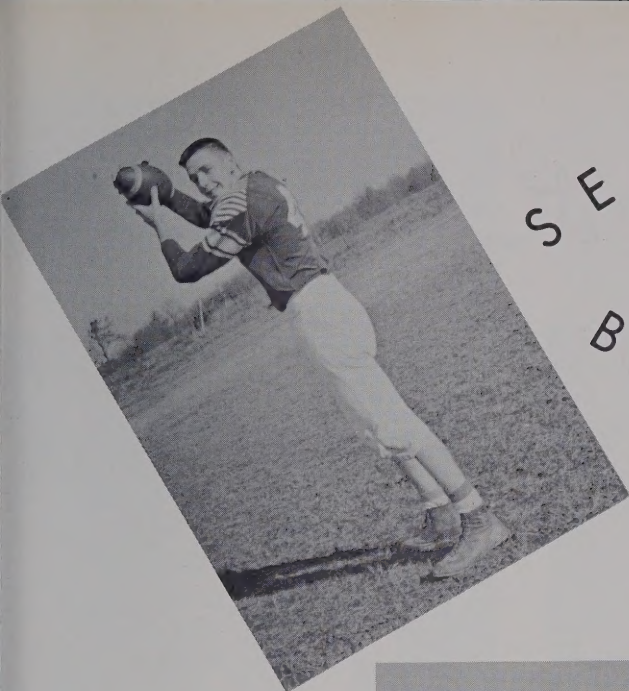

On Saturday, September 17, the opening whistle was blown. Buckeye played Ridgeville at Brunswick field. The game ended in a 6-6 tie, with Jerry Grim scoring the Buckeye touchdown. Bruce Parish's try for extra point was blocked. Our next game, September 24, was with Midview at Brunswick field. Midview scores accounted for 18 points while we were held scoreless. On October 1, we journeyed to Norwalk. Having superior manpower, Norwalk St. Paul held us scoreless, but scored 25 points themselves. The following week, October 7, we traveled to Elyria. The first half was very close, with Elyria Catholic leading 7-6, but at the end of the game we trailed 28-6. Gary Bryenton scored our lone touchdown.

Saturday, October 15, was our Homecoming Game against Wakeman. Our Queen, who would reign over the football game and dance was Hazel Frederick. Her attendants were Anita Junkar, Diane Motznik, and Helene West. The field was in terrible condition because of previous heavy rains. Every depression in the ground was covered with water, and this resulted in the game being primarily a ground game. Jerry Grim scored in the first quarter and Bruce Parish kicked the extra point. In the second quarter Buckeye relinquished the ball on the Wakeman one foot line. On the next play Wakeman was caught in the end zone by the Buckeye line for a safety. This proved to be the margin of victory. Wakeman scored in the final quarter and the score ended 9-7 in favor of Buckeye.

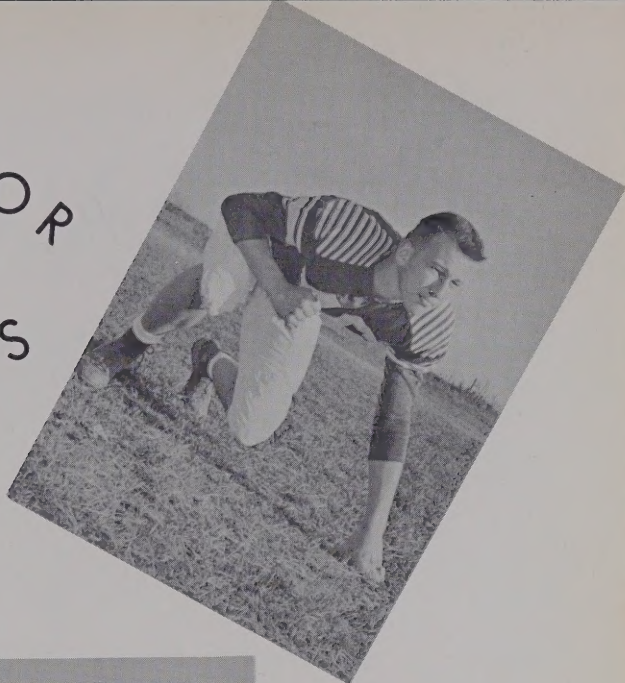

On October 20, we played Highland, the league leader. Highland led at the half 7-0, but scored twice in the last half to win 21-0. October 28 found us at Brunswick field to play Brunswick. Henry Frambach and Gary Bryenton scored for Buckeye, while we held Brunswick from scoring. The final score was 12-0 in favor of Buckeye.

The final game of the season was on November 4 against Boston. It was also Parents Night with the parents coming on the field before the game with their sons. It was a close game with Buckeye winning 19-14, as Grim, Whitehead, and Otterbacher scored touchdowns. Jerry Grim ran over the only extra point. Thus the "Bucks" finished the season with a record of 3 wins, 4 losses, and 1 tie.

VARSITY BASKETBALL

BUCKEYE BASKETBALL

With the 1955-1956 basketball season entered into the record book, we look back to see what we had accomplished. Mr. Schall took over as head basketball coach, which Mr. Haugh had vacated. Of the five returning varsity members two were regular starters, Roger Morlock and Earl Reutter. Jerry Lester and Hank Frambach increased the teams overall height; and with Jerry Grim's period of ineligibility having expired, it presented a good picture. After a slow start, the boys ended with a seasons record of 9 wins - 9 losses and 3rd place in the Medina County League. In their first game of the tournament Buckeye lost a close game to Seville 75-70. Even when defeated we were proud of our team. Lots of luck to Coach Schall and next years team.
